We have some money available for training on the Coverdell grant and I know we had talked about Hevis & Sonja attending. Time is getting short – the grant ends on March 31<sup>st</sup>, so they need to initiate TAF paperwork. Sydney Fuller- Jones can assist them with this.

Since the Coverdell program is planning major changes for future grant cycles, it is highly unlikely that we have training money in subsequent years. This could be the last opportunity to attend.
